Re: Off-Site Rule Acceptability Determination
USA Lamp & Ballast Recycling, Inc.
OHR 000 109 819

Dear Mr. Kimmel:

This letter is in response to your October 5, 2011 email to William Damico, of my staff, regarding the USA Lamp & Ballast Recycling, Inc. Cincinnati, Ohio facility request for CERCLA Off-Site Rule acceptability.

Pursuant to 40 C.F.R. § 300.440 (b), my staff has determined that USA Lamp & Ballast, Inc., Cincinnati, Ohio meets the acceptability criteria. Therefore, USA Lamp & Ballast, Inc. located at 7806 Anthony Wayne Ave., Cincinnati, Ohio is acceptable to receive waste from CERCLA sites.

This acceptability determination is based on the assumption that only wastes which comply with the permits issued to USA Lamp & Ballast, Inc. will be accepted. It is your responsibility to review any proposed waste streams for compliance with the permits for your facility.

Please note that this determination is based on the available information at the time of the review. Your status could be changed any time relevant information becomes available according to the procedures in 40 C.F.R. § 300.440 (d). Generators who need to use a currently acceptable facility should verify the current acceptability of any facilities they wish to use with the appropriate Regional Off-Site Rule Contact(s). If you have questions, please contact Mr. Damico at (312) 353-8207.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gary J. Victorine".

Gary J. Victorine
Chief,
RCRA Branch
